

## life ways

Located in Berlin's trendy Charlottenburg area, artotel berlin kudamm is the ideal base for a weekend break in Germany's buzzing capital. We're minutes from the legendary Kurfürstendamm shopping street with its boutiques and designer stores. Landmark attractions such as the Bundestag, the Tiergarten, the Zoo, the memorial church and the Kadewe are close by. The subway station is nearby, Tegel and Schoenefeld airports are within easy reach.

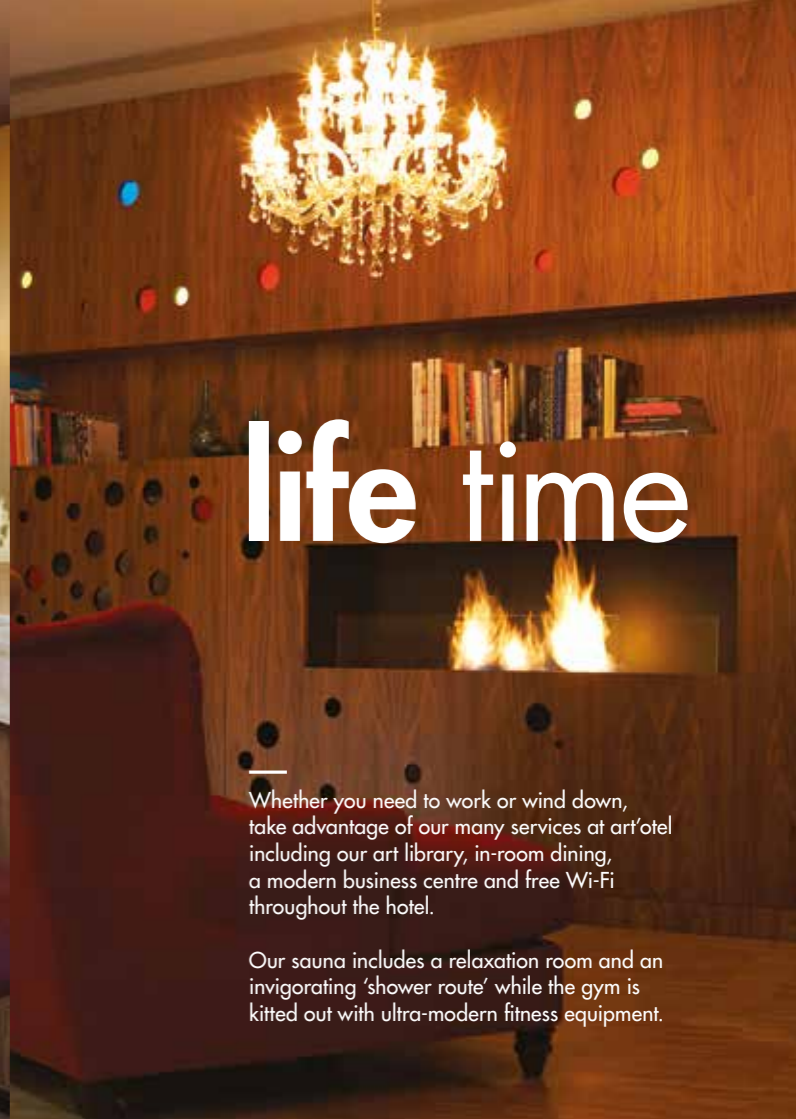

## art room

Our 152 vibrant Art Rooms, Art Rooms XL and Art Suites showcase Warhol's pop art and feature complimentary Wi-Fi, satellite TV and indulgent Elemis guest amenities. Choose a larger Art Suite to enjoy more space, a tea and coffee machine, a luxuriant bathrobe and slippers, and a bathroom with a bathtub or walk-in shower.

## life style

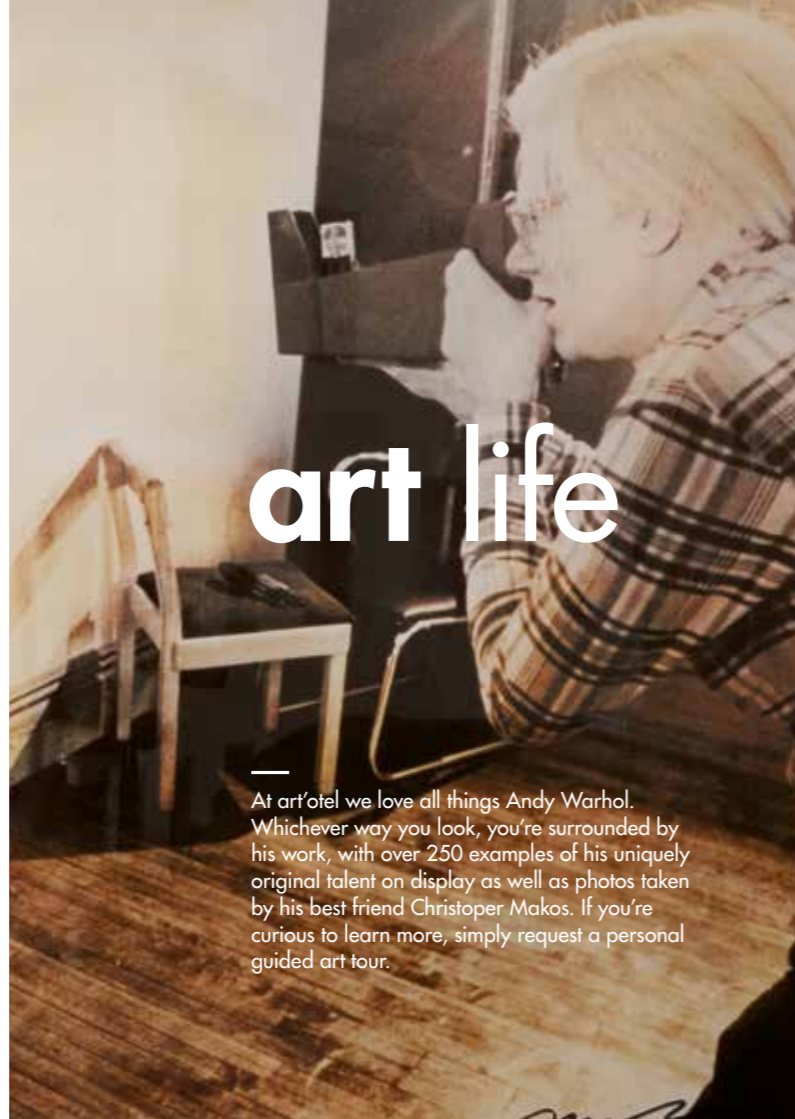

Inspired by Warhol's studio "factory" and the metropolitan New York approach to life, our Factory.bar offers a modern and international food concept. Guests enjoy fresh ingredients and tempting combinations including a selection of burgers, fresh salads as well as German specialities. Warhol's work adorns the walls, while original cocktail variations can be enjoyed on an elegant stool alongside the stunning marble bar or chill on the patio during the summer.

## life time

Whether you need to work or wind down, take advantage of our many services at artotel including our art library, in-room dining, a modern business centre and free Wi-Fi throughout the hotel.

Our sauna includes a relaxation room and an invigorating 'shower route' while the gym is kitted out with ultra-modern fitness equipment.
